PROFESSIONAL SUMMARY

Detail-oriented Computer Science undergraduate with hands-on experience in Web Development and implementing projects. Completed several online projects and internships, showcasing a strong aptitude for problem-solving with different programming languages such as JAVA, HTML, CSS and JAVA Script and a passion for staying updated with emerging technologies.

EDUCATION

- **Bachelor of Technology (B. Tech)**   **2022-2026(Present)** Computer Science and Engineering   **CGPA- 7.58**

    Galgotias University

- **XII (BSEB)**   **2020**
                                                                                                            Percentage- 72%

    Physics, Chemistry, Maths(PCM)
    Mukhiram high school.

PROJECTS

portfolio website

A personal portfolio website showcasing projects, skills, and experience, built with a clean and responsive design.

Technologies Used: HTML, CSS, JavaScript

Key Features:

- Responsive and modern UI design
- Smooth scrolling and interactive animations
- Dynamic project showcase section
- Contact form with validation
- Mobile-friendly and optimized for performance

Weather Application

Developed an Android weather application, using Java and XML and integrating the API to display real-time, location-based weather information.

Android Calculator

Developed a native Android calculator application using Java and XML . Designed an intuitive interface to perform addition, subtraction, multiplication, and division operations efficiently.

SKILLS

- **Technical Skills :** JAVA,XML, HTML, CSS, Java Script, Flutter Android Development.
- **Interpersonal Skills :** Teamwork, Leadership Quality, Communication Skills, Effective Time Management.
